Lighthouse Via de Cristo is a local inter-denominational ministry, designed to assist disciples of Jesus to renew and deepen their faith and to provide some time-proven means to become more effective Christians.

By Grace, with the Holy Spirit, we challenge leaders to discover and achieve their personal calling, assisting them to influence their environments with the Gospel.

THE WEEKEND

Christians of all denominations are welcome. We point Christians to Christ and encourage them to serve where they already are – their home church, their workplace and their community.

What does the weekend look like?

Three days of living, eating, and studying the Way of Christ together with much singing, prayer, worship and discussion.

The weekend begins on a Thursday evening and ends on Sunday afternoon. It is highly structured and designed to strengthen and renew the faith of Christian people, and through them, their families, congregations and the environment in which they live, work and play. It is a combined effort of laity and clergy working together to bring renewal to the Church by taking a New Testament look at Christianity as a lifestyle.

Who can attend the weekend?

Christians who believe their spiritual lives need strengthening; who may have many unanswered questions about prayer, study, and sharing their faith; who understand that being Christian involves responsibility and would like to have both the spiritual foundation and moral reserve to carry this out in their lives; are the best candidates to attend a Via de Cristo. This ministry is primarily intended for baptized individuals, who already know Jesus Christ as their Lord and Savior, and is not intended to convert the non-believer. **Must be 21 years old to attend.**
